Waiver of Liability

This form and insurance must be presented to the auction personnel on-site, prior to unloading or using any loading equipment.

This Waiver of Liability AND proof of \$1,000,000 liability insurance is required to bring any equipment, including but not limited to: forklift, man lift, lift truck, skid loader or etc. onto the auction site for the purpose of removing items that were won at auction, and are on a paid invoice of the individual or company listed below.

The below signed holds Hartland Machinery Auctioneers, its owners and employees, in addition to the owners, employees and landlord of the party or parties commissioning Hartland Machinery Auctioneers, harmless from any and all losses involved in the removal of any and all equipment.

They further agree to pay in full for any and all damages they may cause when removing the aforementioned equipment including, but not limited to, damage to floors, walls, doors, equipment or other machinery.

 I have presented/enclosed proof of my current and valid. 1-million (\$1,000,000.00) liability insurance policy.
